Hunting License Fee Upped \$1 by Game Authorities

The Division of Fish and Game today issued a reminder to half a million Californians that 1948 hunting licenses are now on sale at seven Division offices and 2800 license agencies. Resident citizen hunters for the first time this year will pay a license fee of \$3-\$1 above the 1947 charge. The non-citizen license cost has been boosted from \$25 to \$50, while out-of-State citizens will pay a minimum of \$10.

Under a 1947 legislative ruling, California hunters between 16 and 18 years of age will be required to possess a regular \$3 license. Last year, the minimum age limit for regular licenses was 18 years. Resident citizens under 16 may purchase a Junior hunting license for \$1.

A new license law permits wives of California veterans, as defined in the Veterans Code, to purchase a hunting license for \$2 at any Division office. Applicants must present marriage license and husband's discharge papers.

More than 300,000 deer tags at \$1 each are expected to be sold during 1948 by the Division's Bureau of Licenses. Tags will not be sold to persons under 12 years of age.

Although only one in a hundred bow and arrow hunters bagged a deer last year, nearly 700 archery deer permits will be sold for \$3. Non-resident archery permits will cost \$5. A special \$1 deer tag is also required of archers.

The beginning of the fiscal year on July 1 also ushered in the trapping license year. Citizen trapping permits cost \$1, while non-citizens will pay \$2. As an economy measure, plastic license holders are no longer issued by the Division.

Panthers Claw Jr. Legion

Melvin Miller's Panthers eked out a 5-4 victory over the Junior American Legion softball team last Thursday in spite of the losers Jimmy Murphy who had a perfect day with three for three.

In the same league, the Optimists knocked over the Junior Hi-Y 10-8 on Friday with the aid of homers by Billie Crawford and Frank Smith.

With all games slated for 5:30 p.m. at Fern Avenue Park the following schedule for the Torrance Recreation Junior Softball

Latest equipment used by the United States Air Forces will be on display when the California State Fair is held September 2 through 12, Secretary Manager Ned Green announced today. The exhibit will be installed in the State Building by Mather Field.
